## Welcome to the Epidemiology Section Awards Session!

The Epidemiology Section's Awards Session is an opportunity to recognize Epidemiologists for major accomplishments. This year, the section will present four awards:

The **Abraham Lilienfeld Award** recognizes excellence in the teaching of epidemiology during the course of a career.

The **Public Health Practice Award** recognizes the use of epidemiologic methods in an innovative and creative public health program or project.

The **John Snow Award** recognizes an outstanding epidemiologist for excellence in epidemiologic practice or research.

The **Wade Hampton Frost Lectureship Award** recognizes a person who has made a significant contribution to addressing a public health issue of major importance by applying epidemiologic methods.
