

Department of Epidemiology
School of Public Health
University of North Carolina

EPID 160

Principles of Epidemiology

Fall, 1968

FINAL EXAMINATION

Tuesday, January 21, 1969

NAME: _____ LAB Section Leader: _____
(please print)

Instructions:

1. This examination consists of 15 questions.
2. Circle, mark or write all your answers on the attached answer sheet.
3. Be sure to read all directions and questions carefully. Some multiple choice questions, for example, have only one correct answer. For others you are required to check as many as may be true. Follow the instructions for each question.
4. When you have finished, please sign the pledge below.
5. ALL EXAMINATIONS MUST BE RETURNED.

PLEDGE

I have neither given nor received help on this exam. Nor have I seen anyone else do so.
