Re: Faculty/Staff Skit Meeting for Department Christmas Party

There will be a meeting on Tuesday, November 24, 1992 in Room 1303 of McGavran-Greenberg Hall at 12:00 noon to discuss ideas for the annual Faculty/Staff Skit. The room is reserved until 1:30 p.m., so if you have an idea please come by and share it. This is always lots of fun, and the more ideas the merrier. I look forward to seeing you there.

MEMORANDUM

TO: Members of the Department of Epidemiology

FROM: Holiday Party Organizational Committee
Kurt Andrews, Steve Browning, Carolyn Cooke, Eileen Gregory,
Lesa McPherson, Marilyn Vine

DATE: November 6, 1992

RE: Annual Holiday Party

The Department of Epidemiology's Annual Holiday Party is scheduled for Friday, December 11 from 5:00 to 8:00 pm at the Community Church on Purefoy Road here in Chapel Hill.

As in years past, please bring a potluck dish (e.g. appetizers, pastas, main dishes, sweets) and the drinks will be provided.

This year, in addition to the two skits (faculty/staff and student) we are trying to put together some musical entertainment before the skits. If you play an instrument and would like to participate in the Department of Epidemiology's Ensemble (little to no practice will precede the performance), please let Marilyn Vine know of your interest.

Also if you are interested in participating in the student skit please see Steve Browning or Kurt Andrews or participating in the faculty/staff skit, please let Marilyn Vine know.

SKIT

At last year's Christmas party a shameful and humiliating vacancy replaced the faculty/staff skit, allowing the students to walk...nay, RUN...away with honors for the evening. If you would like to help in surmounting that defeat at this year's party, please try to attend a skit brainstorming session on Wednesday, November 16, at ~~4~~ p.m. in Room 204. (Note: this is the time and place of the recently-cancelled faculty meeting.)

If you can't come to the session but still want to participate, please let one of us know. We'll be delighted to supply you with details.

I won't be able to make the skit practice, because we have a standing mtg. on the WIC project on Mondays 3-5. And the mtg. this next Mon. is a particularly important one. But I would be interested in being in the skit!

I could come at 2, but not at 4. (Rep. Epid. Seminar)

Yes, I'd be interested.

Note that the SPH faculty mtg. is 3-4³⁰
on the day of the party - so the skit would
need to be fairly late in the party, to give
faculty time for both getting there & improving!
