MEMORANDUM

TO: SPH Faculty and Staff

FROM: Michel A. Ibrahim, MD  
Dean

DATE: June 24, 1991

SUBJECT: School of Public Health Strategic Plan

Enclosed is a copy of the School of Public Health Strategic Plan. This was prepared as part of a University-wide Call to Plan from Chancellor Paul Hardin, however, it is a culmination of a planning process that has been under way for several years. I will be presenting the plan to the Chancellor and his associates on June 25.

The goals established in the plan will guide the School in setting priorities for its activities in the coming years. To facilitate the implementation of the plan, I will establish a committee to further develop strategies and a business plan to accomplish these goals.

Many thanks go to our Strategic Planning Committee, for their hard work over the past three years, and to countless others who gave feedback and contributed ideas to this plan.

A handwritten signature in black ink, appearing to read "Michel".
