Dear Vic:

Meeting and getting to know you  
has been a great pleasure.

Thanks for inviting me to participate  
in UNC's program involving alumni of the  
School of Public Health.

I am enclosing, herewith, the document  
printed by the UNCF and the pieces of  
communication that were exchanged  
between UNCF and me following my  
comments made at the SREB Conference  
having to do with the question of whether  
or not Black colleges should be continued  
to be supported or not.

The first letter of the enclosure  
is the note of thanks, received 15 years later.

Again, thank you for this opportunity  
and best wishes in this effort.

It was a real pleasure having the  
opportunity to meet + speak with your  
lovely spouse.

Please give her, to Wep. Waters and  
my sincere regards.

Sincerely,  
Van
