

Curriculum Vitae

Joan Claire Cornoni-Huntley, PhD, MPH

Adjunct Professor, University of North Carolina

317 North Boundary Street

Mailing Address: P.O. Box 190

Chapel Hill, NC 27514

919-942-7210

Date of Birth: May 17, 1931

Education

College	Mary Washington College of the University of Virginia, 1953	BA
Graduate	University of North Carolina at Chapel Hill	1961-62 MPH
	University of North Carolina at Chapel Hill	1963-70 PhD

Professional Training

1954	University of Massachusetts at Boston, Massachusetts
1959	Boston University, Boston, Massachusetts
1959-60	Harvard University, Cambridge, Massachusetts
1960	University of Minnesota, Minneapolis, Minnesota

Academic Career

1956-61	Research Assistant: Department of Biostatistics and Maternal and Child Health, Harvard University School of Public Health Research: Stuart's Study on the Growth and Development of Children Teaching: Principles of Biostatistics
1962-63	Research Associate in Pediatrics and Public Health: Yale University School of Medicine Research: New Haven Rheumatic Fever Study Teaching: Principles of Biostatistics
1966-70	Instructor: Department of Epidemiology, School of Public Health, University of North Carolina, Chapel Hill Research: Evans County Heart Study, and the Charleston Heart Study Teaching: Principles of Epidemiology

Investigations

- 1970-75 Assistant Professor of Epidemiology: School of Public Health, University of North Carolina, Chapel Hill
- 1975-77 Associate Professor of Epidemiology: School of Public Health, University of North Carolina, Chapel Hill Research: Evans County Heart Study, and Drugtaking for Hypertension in a Rural Community. Teaching: Principles of Epidemiology, Epidemiologic Investigations; Problems in Epidemiology. Applied Methods in Epidemiological Research; Alcohol, Behavior and Health; Research Methodology in Alcohol Usage; Advanced Methods in Epidemiology; Supervised doctoral dissertation
- 1976-78 Special assistant to the Associate Director, Office of Statistical Research, National Center for Health Statistics
- 1977-78 Clinical Associate Professor: School of Public Health, University of North Carolina, Chapel Hill
- 1978-81 Expert Appointment: Senior Research Epidemiologist, National Institute on Aging, National Institutes of Health
- 1978-81 Professional Lecturer: The George Washington University Medical Center, Washington, D.C.
- 1978-86 Adjunct Associate Professor: School of Public Health, University of North Carolina, Chapel Hill
- 1981-82 Acting Deputy Associate Director for Epidemiology, Demography, and Biometry Program, National Institute on Aging, National Institutes of Health
- 1982-85 Deputy Associate Director for Epidemiology, Demography, and Biometry Program, National Institute on Aging, National Institutes of Health
- 1985-87 Acting Associate Director for Epidemiology, Demography, and Biometry Program, National Institute on Aging, National Institutes of Health
- 1986- Adjunct Professor: School of Public Health, Department of Epidemiology, University of North Carolina at Chapel Hill
- 1988-91 Special Assistant to the Director of the National Institute on Aging, National Institutes of Health

- 1988-97 Member of Research Consortium for "Ankylosing Spondylitis"
National Institute of Arthritis and Musculoskeletal and Skin Diseases
- 1989-2001 Associate Consulting Professor in Community and Family Medicine,
Duke University Medical Center

Publications

Refereed Journals

Consultant Appointments

1974-75	Consultant: National Institute for Alcohol Abuse and Alcoholism
1975-78	Consultant: National Center for Health Statistics
1975-76	Advisor to the Associate Director of the Cooperative Health Statistics System of the National Center for Health Statistics
1981	Member: Advisory Committee for National Death Index
1984	Member of Advisory Committee of the Epidemiology Review Committee for the National Institute of Dental Research.
1985	Consultant: National Institute of Arthritis and Musculoskeletal and Skin Disease
1986	Representative for the National Institute on Aging to Italy for the Bilateral Agreement on Research on Aging Between NIA & Italy,
1999	School of Public Health: Dean's Alumni: Advisory Meeting

Editorial Board Memberships

1. Journal of Aging and Health, Sage Periodicals Press, Division of Sage Publications. Inc.
2. Aging: Clinical and Experimental Research. Editrice Publications.

Professional Awards and Special Recognitions

- 1963-66 Public Health Service Fellowship
- 1985 National Institutes of Health Director's Award Citation: "In recognition of sustained excellence in the development of major epidemiologic research activities on health and illness of the elderly within the National Institute on Aging."
- 1988-89 Dana Co-Mentor in Nutrition and Aging USDA Human Nutrition Research Center on Aging at Tufts University and School of Nutrition, Tufts University.
- 1989 International Aging Association Outstanding Paper Award
- 1999 H.A. Tyroler Distinguished Alumni Award, Department of Epidemiology, U.N.C.-CH School of Public Health.

Professional Organizations and Participation

(Offices held, committee assignments, etc.)

American College of Epidemiology. Fellow
Biometrics Society
American Statistical Association
American Public Health Association
